

# Student Quick Start Guide

How to access and navigate CourseSites and the Carpe Diem MOOC

# Accessing the Course

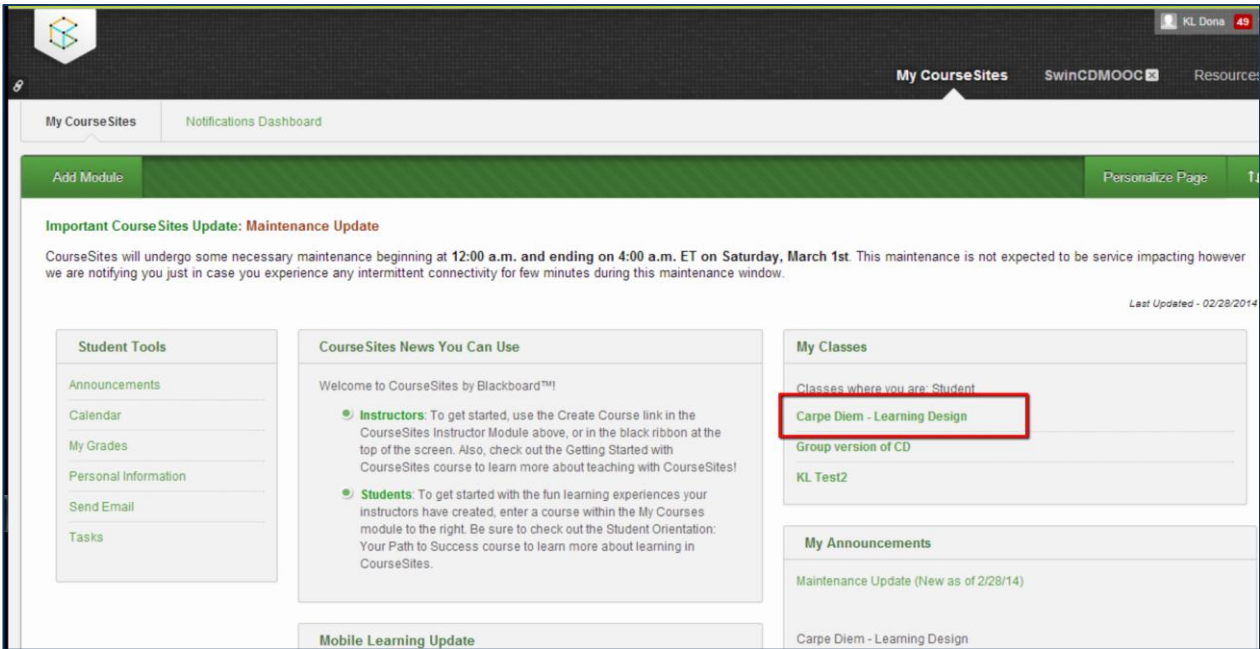

Proceed to the CourseSites login home page: <https://www.coursesites.com/webapps/login>

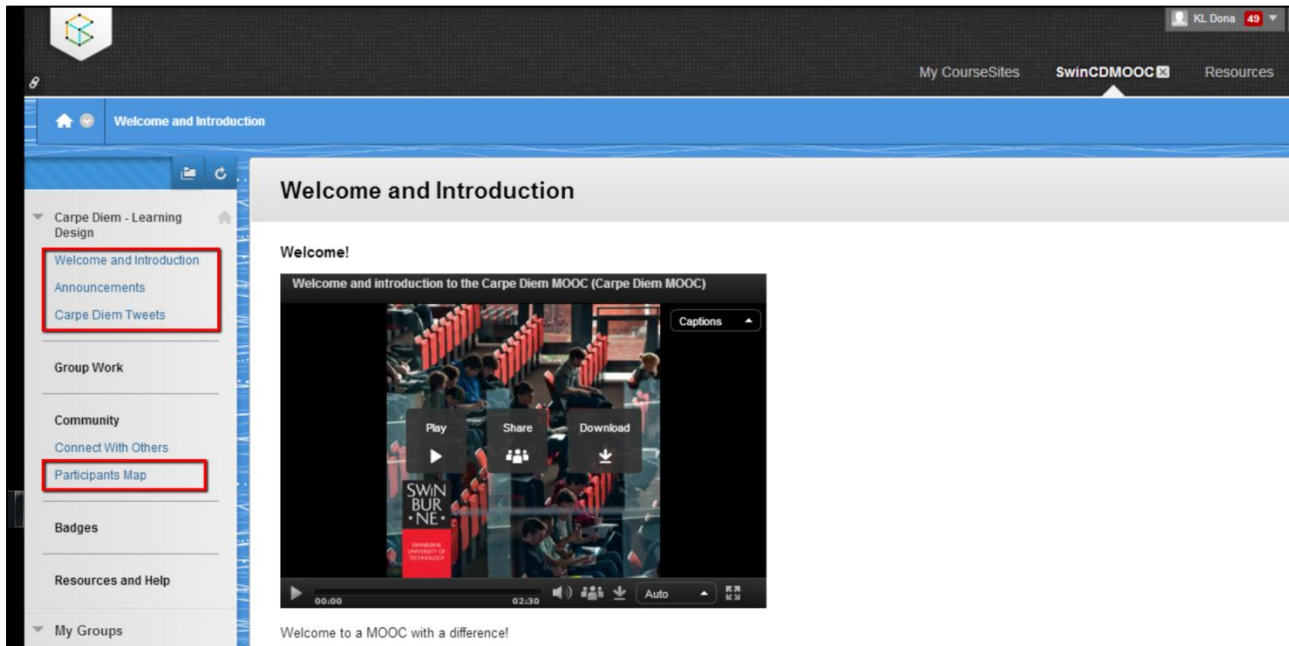

As you already have a CourseSites account, you will be asked to enter your login credentials. You will be taken to the next screen, where you will enter your user name and password. Your user name and password will have been sent to you by CourseSites when you enrolled in the course.

The welcome page will appear. Under “My Classes”, click on your course ‘Carpe Diem – Learning Designs’.

The home page of your course will appear. The menu on the left side of the screen has a list of links. Use these to access and view areas of the course. Click on the 'Welcome and Introduction' to watch the video.

## Breadcrumbs

Use the breadcrumbs to quickly navigate back and forth through the course. Ellipses (...) indicate additional levels and they will fully display when you click them.

Groups > ... > Forum: Week 1: e-tivities (click here to access) > Thread: Week 1: e-tivity 1.1 These are a few of my favourite things...

## Participants Map

On the menu the 'Participants Map' shows the global location of each participant. Add your location by following the instructions on the page.

The screenshot displays the 'Participants Map' interface. On the left is a navigation menu with categories: 'Carpe Diem - Learning Design', 'Welcome and Introduction', 'Announcements', 'Carpe Diem Tweets', 'Group Work', 'Community', 'Connect With Others', 'Participants Map' (highlighted with a red box), 'Badges', 'Resources and Help', and 'My Groups'. The main content area is titled 'Participants Map' and includes instructions: 'Using the Participants Map' and 'Use the map below to tag yourself and share your location with other participants. Simple click the 'Add' button in the top right corner of the map and fill in the details with your name and location.' Below the text is a world map with numerous colorful location pins placed across various continents. The map is built with ZeeMaps, as indicated by the logo in the bottom right corner.

Further instructions will be provided as the course progresses.
